"A City For All Generations"

MARCH 2026

Mayor Derrick Rainey

As we step into March, we carry both reflection and renewal in our hearts.

In February, we proudly celebrated Black History Month, honoring the strength, resilience, faith, and contributions of those who paved the way for progress in Wrightsville and beyond. Their legacy reminds us that our history is not just something we remember — it is something we build upon.

On March 5th, we pause for the 67th Remembrance of the Wrightsville Fire, honoring the lives lost at the Wrightsville Industrial School for Boys in 1959. This sacred moment of remembrance grounds us in humility and unity. We remember not only with sorrow, but with commitment — commitment to community, compassion, and continued growth.

And now, as Spring approaches, we embrace a season of expectancy. New opportunities. New partnerships. New possibilities. Just as the earth renews itself, so does Wrightsville.

There is real power generated when people work together. When neighbors support neighbors. When faith, families, businesses, and city leadership unite around a shared vision. That power fuels our mission of People, Progress, and Prosperity. Wrightsville is moving forward — together.

With gratitude and hope,
Mayor Derrick Rainey
